Dear Friends at the Delaware Kids Fund:

Thank you for your support of the Food Bank of Delaware's hunger relief programs that provide food to almost 90,000 men, women and children in need every year. Your 2009 Annual Campaign gift of \$1,000.00 (check #505) to the Food Bank will help us to address the increase in need for food that our member agencies and feeding programs have been reporting to us this year.

During the summer of 2009 the Food Bank of Delaware provided 462,406 meals for low income children at sites statewide. With the start of the school year, we will be providing after school meals to low income children as well as backpacks filled with food for weekends and school holidays. Our goal is to make sure that these at risk children have access to food at all times so that they never have to skip meals because their families cannot afford food. Last year, we provided 206,183 after school meals and 11,706 backpacks to children in need and this year, we hope to do even more.

Your gift will help us to feed more at risk children as well as provide more food, meals and food boxes to families and seniors in need. It will give us the ability to secure more donated food and provide it to people in need through food closets, feeding programs and food distributions. We appreciate your support and most of all we thank you for being a partner in ending hunger in Delaware.

Sincerely,

Patricia D. Beebe
President and CEO
